

Soft Cleaner

Cleaner for regular maintenance of varnished parquets, bamboo, cork, vinyl and laminate floors. Does not leave any residues.

Application: Soap for cleaning and maintaining sealed/varnished parquet, wood, bamboo, cork, vinyl and laminate floors. Do not use on waxed or oiled floors.

- Developed according to DevoNatural's environmental standards
- Kind to the skin
- Pleasant odour
- Fast drying

Special characteristics: DevoNatural Soft Cleaner cleans, degreases and protects the natural colour and shine of your floor. Does not leave any residues. Specially designed for regular maintenance, this product does not damage the varnish coating, even if used in concentrated form, because of its gentle alkalic action.

Tip: You should preferably use the "two bucket" method, particularly on very large surfaces. One bucket containing soapy water is used for cleaning, together with a floor cloth or mop. The other bucket should be filled with water for rinsing. Always rinse the floor cloth or mop in the rinse bucket, before soaking it in the soapy water. This means that the soapy water stays clean and your parquet floor will not get dirty too rapidly.

Instructions

Surface preparation: Always dry-clean the surface, using a vacuum cleaner or duster.

Product preparation: Dilute 100 ml of DevoNatural Soft Cleaner with 5 litres of water.

Application: Clean using a well-wrung floor cloth or mop. For fast and easy application, use the DevoNatural Spraymop.

Drying time: 30 - 90 minutes, depending on the porosity of the surface and quantity used.

Working temperature: 5 - 30 °C

Clean tools: Rinse the floor and mop thoroughly in water after use.

Maintenance: Use DevoNatural Soft Cleaner to maintain your floor. See also the DevoNatural maintenance sheet for varnished floors.

Shelf life: Minimum 12 months, if kept sealed in the original packaging and protected against frost.

Disposal: Small quantities may be disposed of with household waste, in compliance with local regulations.

Caution: Never use on oiled or waxed wooden floors!

Soft Cleaner

Technical properties

Description (type):	Cleaner for regular maintenance of varnished parquet, bamboo, cork, vinyl and laminate floors
Base:	Soapy liquid mixture
Characteristic properties:	Cleans and protects your floor
Application:	
Surface:	Always vacuum thoroughly before cleaning.
Air humidity:	Room temperature
Material moisture content:	40 – 70 % RH
Product preparation:	
Pot life:	Dilute 100 ml of DevoNatural Soft Cleaner in 5 litres of water
Application:	Not applicable
Diluent/cleaner:	Floor cloth , mop or DevoNatural Spraymop
Clean tools:	Water
Consumption/covering power:	
Coat thickness:	Not applicable
Physical and chemical properties:	
Colour(s):	Transparent green
Odour:	Fresh odour
Consistency:	Liquid
Dynamic or kinematic viscosity at 20 °C:	0 Poise (rotothinner)
Specific weight 20 °C/density:	0.999 kg/l – Method: DIN 53217.
Solids by weight:	9.6 %
VOC content:	0.09 %
Drying at 20 °C/65% RH:	30 – 90 minutes, depending on the porosity of the surface and quantity used
Fully dry after:	Not applicable
Gloss (H. 60°):	Not applicable
pH at 20 °C:	9.5
Water soluble at 20 °C:	Yes, fully soluble
Vapour pressure/20 °C, mBar:	Not applicable
Flash point:	> 61 °C
Spontaneous combustion temperature:	Not applicable
Shear strength:	Not applicable
Shelf life:	If protected against frost and kept in properly sealed packaging: minimum 12 months
Safety:	Keep out of reach of children. If medical advice is needed, have product container or label at hand. Safety data sheet available on request.
Environmental information:	
Bio-degradable:	In general, not dangerous for aquatic organisms
Disposal:	Small quantities may be disposed of with household waste, in compliance with local regulations.
Delivery/Transport:	
Available packaging(s):	1 litre
